In November, Livco Water Company ("Livco") received a letter from the Arizona Corporation Commission Compliance and Enforcement management purporting to notify Livco of an upcoming future compliance deadline. Citing Decision No. 70308, this letter stated that Livco is required to:

MONITOR its gallons of WATER PUMPED AND SOLD EACH MONTH for one full year after the Water Meter Replacement Program is completed and report the monitoring results to Docket Control. If the reported water loss for the one year monitoring period is greater than 10 percent, Livco Water Company shall prepare a report containing a detailed analysis and plan to reduce water loss to 10 percent or less before filing its next rate increase application.

1 Livco finished the water meter replacement program in November 2008 and filed the
2 water loss report on November 24, 2009. *See* Notice of Compliance Regarding Water
3 Loss Report, docket nos. W-02121A-07-0506 and W-02121A-07-0688 (Nov. 24, 2009).
4 Accordingly, Livco has fulfilled this compliance obligation and is filing this notice of
